

GREENVILLE COUNTY
SHERIFF'S OFFICE

GO - 147

GENERAL ORDERS

PROMOTION PROCESS

PURPOSE:

This policy establishes standards specifying conditions for the evaluation, selection, and advancement of candidates qualified for promotion. The Sheriff's Office promotion process is designed to ensure fairness within the selection of personnel for promotion. This policy also ensures the promotion process is job-related and non-discriminatory.

PERSONNEL/ RECRUITMENT:

The Director of Personnel/Recruitment is responsible for:

1. Administration of the promotion process.
2. Conducting an annual review of the promotion process.
3. Monitoring the process for adverse impact.

PROMOTION/ SPECIALIZED ASSIGNMENT ANNOUNCEMENTS:

Written promotion and specialized assignment announcements are to be advertised for at least seven days to all personnel. Announcements are to include:

1. A description of the position or job classification for which the vacancy exists.
2. A schedule of dates, times and locations of all elements of the promotion/selection process.
3. A description of eligibility requirements.
4. A description of the process to be used in selecting personnel for the vacancy.

TRANSFER:

When an opening occurs in a position above the Deputy I or Communications Specialist pay grade, requests for lateral transfers will be considered. The Sheriff has the authority to order the transfer of an employee from any office, division, section or unit to another to serve the best interest of the Sheriff's Office. Transfers will not be restricted merely to those employees who have expressed their interest in a transfer. Deputies must have three years of civilian law enforcement experience from the date of certification with at least one year with this agency since their most recent date of hire/reinstatement before they are eligible for transfer. In cases where the vacant position is of a pay grade higher than Deputy II or Communications Specialist, transfer requests will be considered first.

When a vacant position is posted, all personnel wishing to transfer who are at a pay grade higher than Deputy II must submit a transfer request form on vConnect. Such personnel will then be interviewed by ranking members from the division where the vacancy exists. Transfers will be interviewed first; however, if the candidate or candidates are not deemed qualified or suitable for the position after the interview, then personnel from the promotion eligibility list will be considered. The final selection decision will be made by the Sheriff with recommendation from the affected Division Commander. Decisions not to accept personnel requesting to transfer must be thoroughly documented in writing and submitted to the Sheriff and a copy forwarded to the Director of Personnel for retention. This will only need to be documented if the denial of transfer(s) results in the opening of the promotion list to fill this vacancy. The Sheriff will make direct appointments for positions on his Command Staff or Personal Staff.

PROMOTION:

When a promotion opportunity is available a lateral transfer may be undertaken by the concurrence of the Division Commander(s) concerned and with the approval of the Sheriff, provided the transfer is of the same rank.

Bi-annual Promotion Boards will be held for Sergeants, Master Deputies/Investigators, Communications Training Specialists, Assistant Principal Communications Specialist and Principal Communications Specialists in January and July. Those who qualify on the board will remain on the promotion eligibility list for one year. During the term that a successful candidate occupies a position on the promotion eligibility list. The following conditions would remove the candidate from the eligibility list:

- Demotion from current rank or suspension from duty will remove the candidate from eligibility for promotion for a period of one year.
- Being placed on a performance improvement plan and/or probationary status will remove the candidate from eligibility for a period of six months.
- Receiving a Written Reprimand will remove the candidate from eligibility for a period of six months.
- All documented discipline will be considered during the competitive promotion process.

In the event that seventy-five percent of the eligible candidates are exhausted from the promotion list or at the Sheriff's discretion, a new Promotion Board will convene to replenish the list of eligible candidates. Those who qualify will remain eligible until the next Bi-annual Promotion Board is held.

NOTE: An employee who has been considered ineligible for promotion due to disciplinary action will be allowed to take the promotion board but will not be eligible for promotion until the end date of the disciplinary action has been met.

INTRODUCTORY PERIOD:

Promoted personnel serve a six month introductory period. Upon recommendation of the affected Division Commander, the Sheriff may request Greenville County Human Resources to extend the introductory period an additional three months, if a promoted employee is not performing satisfactorily. An additional extension will not be granted. Personnel are not permitted to transfer until the successful completion of their introductory period unless approved to do so by the Sheriff.

APPEAL PROCESS:

Appeals for review of adverse decisions concerning eligibility or appointment to promotion vacancies may be made by affected personnel. Appellants are entitled to the following:

1. The correct answers to questions asked at the Promotion Interview Board and written exam.
2. To review their scored elements of the promotion process.
3. To review their performance appraisals used in the selection decision.
4. Re-application, re-testing or re-evaluation.

Appellants may request procedures 1, 2, and 3 through the Director of Personnel/Recruitment. Procedure 4 may be requested through the chain of command up to the Conduct and Procedures Review Board. If the adverse ruling is appealed to the Conduct and Procedures Review Board, the Board will thoroughly examine all relevant factors and submit a recommendation to the Sheriff. The Sheriff's disposition is final.

PROMOTION ACTION:

Following the selection of a candidate for promotion, the Sheriff will announce the promotion via a Personnel Order. The successful candidate will receive a Promotion Warrant describing their appointment and date of promotion from the Sheriff.

**PROMOTION
REVIEW BOARD
MEMBER****RESPONSIBILITIES:**

All candidates for promotion will appear before the board in appropriate business professional attire or in their Class-A uniform with tie. If wearing the uniform, candidates display a professional appearance with boots shined, uniform pressed, and have their appropriate rank and hash marks displayed. Candidates who appear before the board in unprofessional attire or who do not meet acceptable uniform standards will be prohibited from interviewing. Each board member will be allowed to ask scenario based questions or give practical exercises (i.e., review a Daily Observation Report, review an incident report, review a time sheet, etc.) that are specific to duties of the rank for which the candidate is applying. Each board member will be allotted two questions, one of which may be a practical exercise. Board members assess each candidate's answers to scenarios and practical exercises using the following 1-6 grading scale:

- 1 – Makes no attempt to answer the scenario question/solve the exercise, cannot come up with any insight in to the problem or issue at hand.
- 2 – Makes an attempt to problem solve/complete the exercise; however, the answer was subpar or not realistic in the approach, deviates from policies and/or procedures, or not legally sound.
- 3 – Provides a bare minimum response to the scenario/exercise but not to the level of what would be expected.
- 4 – Problem solving ability is what you would expect from someone at their grade and experience level. Provides an acceptable, basic and generic answer that is consistent with policies and/or procedures, or is legally sound.
- 5 – Provides exceptional insight and is able to relate the scenario/exercise to real life situations and pull from past experiences and encounters. Answer is what would be expected from a well-seasoned, senior deputy/master deputy.
- 6 – Shows command level knowledge and ability to problem solve and address critical situations. Provides superior insight in to issues without hesitation. Goes above and beyond in approaching the scenario/exercise and offers solutions that a policy making deputy would be expected to provide.

At the conclusion of each candidate's Promotion Review Board, the board members will be allowed to openly discuss the candidate amongst themselves in an effort to better assess the candidate collectively. Each board member will add up all of their scores from the eight questions/exercises. These numbers will then be added together and divided by four to obtain an average overall numerical grade for that candidate by the Promotion Review Board. The maximum number of points available is forty-eight.

**CANDIDATE

After reviewing all potential candidates for promotion, the Promotion Review Board will forward its ratings to the Administrative Services Division which will add the written test scores to the Promotion Review Board scores to gain an overall score.
